STANDARDS

- ❖ This certificate has been issued in accordance with the provisions of the Organic Agriculture Law No. 5262 of the Republic of Türkiye and the Regulation on the Principles and Implementation of Organic Agriculture, published in the Official Gazette No. 27676 dated 18 August 2010 (Article 37).
- ❖ The declared operator carries out its activities under inspection and complies with the requirements of the aforementioned legislation.
- ❖ This certificate does not guarantee the commercial quality of the products. It only certifies that the organic activities specified within the above scope are carried out in compliance with the relevant regulation.
- ❖ This certificate shall be revoked if the requirements for holding it are no longer fulfilled.
- ❖ This certificate has no commercial validity on its own and is not sufficient by itself for the sale of products.
- ❖ The validity of this certificate regarding Organic Crop Production is ensured together with the Technical Annex of the Organic Farming Operator Certificate.
